### Dear Friends of St. Paul,

I would like to take a moment to introduce myself as the Development Coordinator at St. Paul School. As a proud second-generation St. Paul alum (Class of 1999) and now a parent, it's easy to see why my love for St. Paul runs so deep. One of the things that makes my role so meaningful is being able to help ensure that as many children as possible have access to a quality Catholic education.

With so much uncertainty in the world today, it's more important than ever to teach children the love of Jesus from a young age so they can grow to become the best version of themselves.

That is why the Guardian Angel Fund is so important. Already this year, **32 out of 83 students—nearly 24% of our student body—are receiving tuition assistance through the Guardian Angel Fund.** Without this support, many families would not be able to send their children to St. Paul. It is our mission that if a family wants to send their child to St. Paul, we find a way to make it possible.

Please prayerfully consider making a gift today by scanning the QR code on the back or by visiting [StPaulMacomb.com/Guardian-Angel](https://StPaulMacomb.com/Guardian-Angel). You may also donate by returning the enclosed envelope.

Thank you for the love, prayers, and support you give to our school. You are a true part of our mission to Raise Saints, and we could not do it without you.

With gratitude,

## GUARDIAN ANGEL IMPACT

# 32

*Students Receiving Tuition Help This Year*

That is **24% of our student body.**

Your gift makes this possible, and this year every dollar is doubled thanks to the Matching Gift Challenge.

## Why Your Gift Matters: THE NELSONS

"We have two biological children, five adopted, one International Exchange Student, and have fostered more than 12 others. Covering tuition for a family our size would be impossible, but the Guardian Angel Scholarship makes it possible for our children to attend St. Paul, grow in faith, and be surrounded by teachers who truly care. The support of this fund allows us to keep opening our home and hearts to share the love of Jesus."

— Kelly Nelson,  
St. Paul Parent

*Your gift ensures that families like the Nelsons can continue to give their children the blessing of a Catholic education at St. Paul.*

## What is The Guardian Angel Fund?

The Guardian Angel Fund is St. Paul's tuition assistance program that ensures no child is turned away because of financial need.

Your gift opens the doors of Catholic education to families who could not afford it on their own. With your support, children are able to remain at St. Paul, learning about God each day, guided by teachers who care deeply, and surrounded by classmates who encourage them to grow in faith, character, and academics.

### A Message from Principal Mrs. Laura Cody

At St. Paul School, our mission is bigger than academics. We teach reading, writing, and math, but also prayer, service, and discipleship. We form not only minds, but hearts. We are Raising Saints!

That mission is possible because of the support of this parish and community. Every day, I see the difference a St. Paul education makes—students praying together, serving together, and growing into young people who are ready to live and share their faith.

Over the past 10 years, we have seen a gradual increase in the number of students needing scholarship assistance. Since 2018 the number of families receiving Guardian Angel funding has doubled, and because of our generous donors, we are able to make sure no child is turned away from the blessing of a Catholic education at St. Paul. Together, we can raise up the next generation of saints and scholars here in Macomb.
