

Authorization for Internet Use at St. Paul School

Aug. 2017

Instruction

Authorization for Electronic Network Access

Students and their parents/guardians need to sign this *Authorization for Electronic Network Access* each year while enrolled in the St. Paul School.

I understand and will abide by the above *Authorization for Electronic Network Access*. I understand that the St. Paul School and/or its agents may access and monitor my use of the Internet, including my e-mail and downloaded material, without prior notice to me. I further understand that should I commit any violation, my access privileges may be revoked, and school disciplinary action and/or appropriate legal action may be taken. In consideration for using the St. Paul School's electronic network connection and having access to public networks, I hereby release St. Paul School and its Board members, employees, and agents from any claims and damages arising from my use, or inability to use the Internet.

\*Students are required to have a parent/guardian read and agree to the following:

I have read this *Authorization for Electronic Network Access*. I understand that access is designed for educational purposes and that St. Paul School has taken precautions to eliminate controversial material. However, I also recognize it is impossible for St. Paul School to restrict access to all controversial and inappropriate materials. I will hold harmless St. Paul School, its employees, agents, or Board members, for any harm caused by materials or software obtained via the network. I accept full responsibility for supervision if and when my child's use is not in a school setting. I have discussed the terms of this *Authorization* with my child. I hereby request that my child be allowed access to the St. Paul School's Network.
