After Care News

Mrs. Horrell will be walking after care children to the Homecoming parade September 21. She is asking that there are no drop ins that day and if you are attending the parade with your family that your children stay with you and not sit with the after care kids. It can be confusing at the end of the parade when she has to look for children's parents that are not in aftercare. Thank you!

Hearing and Vision Screening

Oct 16-17

Hearing and vision screenings will be provided on October 16th and 17th by Andrea Ratermann. Students in preschool and grades kindergarten, first, second and third will be screened for hearing and students in preschool and grades kindergarten and second grades will be screened for vision. Screenings will be provided for students who have been referred by a teacher or who are transfer students as well.

New this year - Some students will be screened with the Welch Allyn Spot Vision screener. This screener takes a picture of their eyes.

It does have lights and sounds to attract the student's attention. If you would not like this screener used for your child, please contact the school prior to the screening date.

Thank you!
